

40th Anniversary Book Coming in December

Riverbanks Zoo and Garden

Forty Wild Years

by Satch Krantz and Monique Jacobs

Riverbanks Zoo and Garden tells the story of how the dream of a modest children's zoo in the 1960s grew into the nationally ranked and widely praised zoo and botanical garden it is today. Much like the zoo itself, the book features extraordinary animals, dynamic natural habitat exhibits, scenic river views, and significant historic landmarks. Riverbanks' rich history is captured here through anecdotal stories and more than two hundred brilliant photographs and illustrations, making it easy to see why Riverbanks has been recognized as one of the nation's great zoological parks and botanical gardens.

224 pages, 210 color illustrations
hardcover, \$39.95; paperback, \$19.95
forthcoming in December
